

Second Announcement

8th ASEM - Workshop

Advanced Electron Microscopy

April 26th and April 27th 2018

IMP Lecture Hall, Campus-Vienna-Biocenter 1, 1030 Vienna

Scope of the Workshop:

You are warmly invited to the 8th ASEM – Workshop for Advanced Electron Microscopy. This workshop is the annual meeting of electron microscopists in Austria bringing together researchers from academia and industry of all career levels (from students to professors) and all fields (life sciences, materials sciences, physical sciences). The workshop is open to all aspects of EM: from scanning to transmission EM and from sample preparation to data visualisation. The ASEM – Workshop especially aims at providing an opportunity for students to share and discuss their work with an expert audience in a friendly atmosphere.

The conference language will be English. Thanks to the support of our sponsors the workshop is free of charge for all ASEM members.

Registration and Abstract Submission

Registration and Abstract Submission is now open. All students (bachelor, master, PhD, ...) are invited to submit an abstract using the attached template. Please indicate if you prefer to present a poster or give a short talk (10 minutes). Please note only a small number of talks will be available due to time restraints.

Please email your registration and abstract to: thomas.heuser@vbcf.ac.at

Deadline for Registration and Abstract Submission: April 6th 2018
