

(Updated) Second Announcement

9th ASEM Workshop: Advanced Electron Microscopy

April 25th and April 26th 2019

BMT Lecture Hall, Graz University of Technology, Stremayrgasse 16, 8010 Graz

We cordially invite you to the 9th ASEM Workshop for Advanced Electron Microscopy. This annual meeting provides an open forum for discussion among young and experienced electron microscopists in Austria. Researchers from academia and industry across all career levels are welcome to contribute in their fields of expertise (e.g. life sciences, materials science, physics, chemistry); we especially want to encourage students and young scientists to actively participate.

This year, apart from oral contributions, for a lively scientific exchange we would also like to encourage advanced researchers to share their in-depth knowledge during the poster session in depicting the manifold aspects of electron microscopy to our young scientists.

Workshop Information

- The workshop will start at 13:00 on Thursday (registration 12:00) and end in the afternoon on Friday (approx. 16:00).
- The conference language will be English.
- You may contribute in giving talks (12 min. + 3 min. discussion) or presenting posters.
- Thanks to the support of our sponsors, the workshop is free of charge for all ASEM members.
- Student ASEM members can apply for reimbursement of travel costs and one night's accommodation.
- We warmly invite the upcoming winners of the Fritz-Grasnick-Award 2018 to give an extended talk (25 + 5 min. each).

Registration and Abstract submission

- Registration and abstract submission is now open. Please fill out the **web form** <https://goo.gl/forms/1GWOpij22dy8Phyp1> for registration.
- Please find the attached **abstract template** for **presentation contributions**. Use this template and send your abstract as **.doc**, **.docx** or **.odt** file to asem2019@felmi-zfe.at.
- The **extended deadline** for **registration and abstract submission** is **Friday 5th of April 2019**.

Thanks to Michael Stöger-Pollach further updates and a more detailed program will be posted at the ASEM website: <https://asem.at/events/9th-asem-workshop/>

We are looking forward to seeing you in Graz after Easter!

For the organising committee,

Ferdinand Hofer

Robert Krisper

Institute of Electron Microscopy and Nanoanalysis (FELMI) & Graz Centre for Electron Microscopy (ZFE)
Steyrergasse 17
8010 Graz

Accommodation Information

We reserved some rooms and asked for special prices at some hotels in Graz. For the reduced prices, please mention the code "ASEM2019" when booking. Room reservations are only valid until 2 – 6 weeks before the event (depending on the hotel), so please book soon!

Hotel	Address	Prices (incl. breakfast)		
		Single room	Twin room	Three or more beds
Star Inn	Waltendorfer Gürtel 8-10 8010 Graz	81,00 €	97,00 €	
Best Western Amedia	Conrad-von-Hötzendorf-Straße 60 8010 Graz	91,00 €	101,00 €	
Hotel Gollner	Schlögelgasse 14 8010 Graz		159,00 €	195,00 € (three beds)
Hotel Aton	Anzengrubergergasse 19 8010 Graz		102,00 €* 169,00 € (four beds)*	
Hotel Das Weitzer	Grieskai 12-14 8020 Graz	85,00 €	103,50 €	
Hotel Mercure	Lendplatz 36-37 8020 Graz	95,50 €	122,00 €	

* excl. breakfast
 close to the conference venue
 close to the main train station

Venue overview and directions

The workshop venue (see below) is located at Stremayrgasse 16, 8010 Graz at the ground floor of the BMT (Biomedizinische Technik) building. The main lecture hall is called "HS BMT"; coffee breaks, poster session and sponsor display booths are located in adjacent areas.
